Full Day Program

I know BEPS is a parent co-op. Will parents be expected to co-op in the afternoon?

Co-oping will not extend into the afternoon. Current co-op hours (9:00 am - 12:15 pm) will remain in place.

Will children enrolled in the Full Day program attend morning classes together?

Not necessarily. Our 2s, 3s and Pre-K classes will be a mix of children enrolled in Core Morning and Full Day.

Does BEPS plan to offer a year-round program?

Not at this time. Our school year starts the last week of August and ends the first week of June.

Can Mazel Tots or Tiny 2s children enroll in the Full Day Program?

No. Only children in our 2s, 3s and Pre-K classes are eligible for Full Day.

Will BEPS close early on Fridays for Shabbat?

The Full Day program will run Monday-Friday from 9:15 am - 6:00 pm throughout the school year. In winter months, late Friday afternoon activities will be Shabbat appropriate.

Will the Summer Program include a Full Day option?

Not right away. Our Full Day program will be rolled out for Fall 2025. It's possible that future summer programs will include a Full Day.

Who will staff the Extended Day portion of the Full Day program?

The Extended Day staff will be members of the BEPS staff and will work with preschool leadership to plan and manage the program.

Can I choose which days of the week to sign up for?

No. Parents will be required to enroll their child in the Full Day program for all days they are enrolled in the Core Morning. For the majority of children, this will be Monday-Friday.

I have to work on many holidays. Will BEPS provide Holiday Care?

Our goal is to provide holiday care for some Jewish holidays and parent-teacher conference days for children enrolled in the Full Day Program. More details will be available in late January.
